16.11.2016 № 180-02/2134

To whom it may concern

On the behalf of The Mayor's office of Astana please accept my assurances of highest consideration and it is a great pleasure to be able to inform you that on the 30th of November, 2016 "ASTEX Astana Smart City" International forum will be held in Astana.

The main objective of the forum will be the creation of a dialogue platform to discuss relevant topics related to the intellectual improvement of urban infrastructure, implementation of smart technologies improving the standards of living and competitiveness of our capital.

The Forum will be attended by the leaders of the innovational community, well-known Kazakhstani and foreign experts in the fields of smart, green, IT and energy technologies, manufacturers of advanced technologies, scientific and project organizations' representatives.

At the present, Mayor's office of Astana is considering the international experience in the development and application of smart city technologies.

In case of your interest, Mayor's office of Astana offers you to consider signing of relevant documents (memorandums, agreements, contracts) in the field of smart technologies, and kindly asks for your assistance in the involvement of speakers on the topic of smart city.

For a detailed information and confirmation of attendance we also kindly ask you to send the description of your organization. Please do not hesitate to contact for information by the given references: baibossynov@yahoo.com, aidan.ramazan@gmail.com, mobile: +7 7789990989, tel.: +7 7172703250.

Please find an attached agenda of the event.

With best regards,

Deputy Mayor of Astana city

M. Bekturova
